Dear Ms de Gruchy

#### **Regulation Impact Statement - Second-Pass Final Assessment – Long Term Solution to Unsafe Decorative Alcohol Fuelled Devices**

Thank you for submitting a Regulation Impact Statement (RIS) to the Office of Best Practice Regulation (OBPR) examining options to address safety issues arising from certain decorative alcohol fuelled devices for second-pass final assessment on 14 June 2017.

The OBPR's final assessment is that the Australian Competition and Consumer Commission (ACCC) is compliant with the Government's requirements and that the RIS is consistent with best practice. The RIS may now be provided to the decision maker to inform a final decision.

We would appreciate you advising us when a final decision on this proposal has been announced and forwarding us a copy of the RIS in a form meeting the Government's accessibility requirements. The OBPR's reference number for this matter is 21872. If you have any further queries, please do not hesitate to contact me.

Yours sincerely
