Dear Ms Neville

**Regulation Impact Statement - Second-Pass Final Assessment - Improving the collection of GST on property transactions**

Thank you for submitting a Regulation Impact Statement (RIS) to the Office of Best Practice Regulation (OBPR) examining how to improve the collection of GST on property transactions for second-pass final assessment on 9 November 2016.

The OBPR's final assessment is that the Australian Taxation Office is compliant with the Government's requirements and that the RIS is consistent with best practice. The RIS may now be provided to the decision maker to inform a final decision.

We would appreciate you advising us when a final decision on this proposal has been announced and forwarding us a copy of the RIS in a form meeting the Government's accessibility requirements. The OBPR's reference number for this matter is 19974. If you have any further queries, please do not hesitate to contact me.

Yours sincerely
