Acting Deputy Secretary
Policy Group
Department of Home Affairs

Dear Mr Wilden

**Regulation Impact Statement – Second-Pass Final Assessment – Migration
Amendment (Offshore Resources Activity) Regulations 2018**

Thank you for submitting the Regulation Impact Statement (RIS) for the above proposal to the Office of Best Practice Regulation (OBPR) for second-pass final assessment on 30 April 2018.

The OBPR's final assessment is that the Department of Home Affairs is compliant with the Government's requirements. The Department has estimated the proposals will reduce regulatory burden by \$8,000 a year, in a manner consistent with the Government's Regulatory Burden Measurement (RBM) framework, and has agreed this amount with the OBPR.

Please note the OBPR maintains a RIS website. We would appreciate your agency advising us when a decision on this proposal has been made, and forwarding a final copy of the RIS and your agency's second pass certification letter in Microsoft Word and PDF format in a form meeting the Australian Government's Web Content Accessibility Guidelines.

Please retain this letter as a record of the OBPR's advice. Our reference number for this matter is 23319. If you have any further queries please do not hesitate to contact me.

Yours sincerely
